4. COMMENTS & SUGGESTIONS		
Sl. No.	Findings	Action Taken
1	Although the college is quite developed, but it should be developed more in terms of infrastructure.	Process is on utilizing RUSA 3.0 grant.
2	There should be a Parking Area	Limited space in the campus. However there is a parking space for the students to park their vehicles.
3	Make classes for 45 minutes, finish the classes little early.	This can't be done as the guidelines of the CBCS makes it mandatory to make class duration not less than one hour.
