(SUBJECT: Requesting permission for selection process in the context of Placement Opportunity for students in Value Banker role with ICICI Bank through NIIT - IFBI's Post Graduate Diploma in Sales and Relationship Banking (PGDSRB) Program)

Dear Sir,

Greetings from NIIT IFBI.

I would like to take the privilege to introduce Institute of Finance Banking & Insurance (IFBI) as the largest Private Bank Training Institute in India. Through this proposal, I would like to elaborate on our offerings for your reputed institute.

Established by NIIT in association with ICICI BANK, IFBI reflects the strengths of both these parent companies.

The key focus area of IFBI is to address the manpower challenges of multi-skilled and trained professionals in BFSI sector. IFBI is actively engaged in re-skilling existing professionals in the Financial Services sector - who are being overwhelmed by recent economic reforms, technology advancements and changes in attitude & approach in this sector.

Since inception in September 2006, IFBI has launched over 50,000+ careers in leading organizations of the Banking and Financial Services Industry.

Currently NIIT-IFBI is running a flagship program, as a training partner for ICICI bank, named as Post Graduate Diploma in Sales and Relationship Banking (PGDSRB) Program. The program is intended to train candidates for the role of Value Banker at ICICI bank. The program entails a 45 day fast track classroom training followed by 3 month internship. However to enroll in the program candidate needs to go through the selection process. Those selected through the selection process will have to undergo a self-paid training post, after completion of which they will get the opportunity for placement across the country.

Henceforth we seek your consent in conducting a selection process for all eligible candidates from your esteemed Institution on 7<sup>th</sup> march 2020.

Looking forward for your support towards this initiative.

Warm Regards,

Sattwik Gupta
