Long live Women's College, Tinsukia

I love this institution very very much. I spent maximum time of my life with this Institution. I wish it success whole heartedly. I can't breathe without this temple like institution. All members of Women's College family is very sincere and dedicated , so they can keep it up to the top most level.

Our college is the best college

As an ex student ,my college days experience was so good ,so much of collaboration, friendly behaviour , discipline , proper guidance, counselor I found .And apart from this I really want to suggest , encourage students to study in this college,to get a proper education.

The best college of the faculty of Arts in Tinsukia District. It is my humble request to the concerned authority to organize some career counselling programmes in the college so that the students may get some ideas regarding what path to opt for after completing graduation.

Can be better and improve in many aspects.

It is the best institute,with lots of hope and aspirations for the girls .It also provides a good platform to the girls studying in this college .Thanks
