**Observations/Findings**

On the basis of the above information, the observations have been noted down in brief below:

- It has been found that most of the students have successfully completed the course with satisfactory results. The pass percentage stands at ninety which shows that students
- 7 students got enrolled in higher studies and 2 others have joined in other courses.
- However, it is seen that no students has been able to secure a govt. job till date but the good indication is that some of them are self-employed.
- The remaining students are preparing for various entrance examinations and are on the lookout for job opportunities as well.
