Observations/ Findings

On the basis of the above information, the observations have been noted down in brief below:

- It has been found that most of the students have successfully completed the course. The pass percentage stands at eight-six which shows that most of the students have performed well in the examination.
- 5 students got enrolled in higher studies. However, it is seen that no students from the current batch got govt. job till date but the good indication is that some of them are self-employed.
- The remaining students are preparing and are in search of various job opportunities.
