Programme Outcome Attainment Analysis
Department of Philosophy
Batch: 2015-18

Result					Progression						Employability		
No. appeared	No. passed	Pass%	No. of 1st class	% of 1st class	Vertical Progression (to PG)	% of Vertical Progression	Horizontal Progression (B.ED, LLB, others)	Horizontal Progression %	No. of Self-employed students	% of Self-employed students	No. of Placement		
											Govt	Private	Total
32	18	56.25	12	66.67	10	55.56	07	38.89	01	5.56	01	12	13*

If we analyze the above table, we find that in the batch (2015-18) -

- Result is near to the expectation
- Percentage of 1st class is good
- Percentage of higher studies (Vertical progression) is satisfactory
- Percentage of horizontal studies is average
- Number of employability is good. (The students securing Job in the batch shown in the table are not the students of passing the same batch. Employability is not in regular basis for the passed out students of the department. It reflects overall scenario of employability of the students passed out long back)*.
- The students whose results were withheld due to back in different subjects they cleared their back in backlog examination held in the next year
