

Extension Activities & outreach programs: Session: 2019-2020

Women's College, Tinsukia

Extension Activity 01

Programme Name:	Flood Relief to the affected people of Guijan and NotunGaon
Programme Date:	24/07/2019
Programme Duration:	1 DAY
Organized by:	NSS UNIT
Name of the Scheme	Community Service
No. Of Participants:	Teachers: 02, Students: 15
	Beneficiaries:150
Venue:	Guijan
Mode:	Offline

Programme Summary:

NSS Unit of Women's college, Tinsukia organized flood relief camp. The volunteers collected relief materials from their neighbors and nearby shops like biscuits, sanitary napkins, sugar, rice, mineral water, soaps, copies and clothes. On 23rd July, they arranged the materials and packed them in packets. On 24th July 15 volunteers along with PO and another teacher and staff started towards Guijan. First they went Khamtiguwani, (DinjanNotun line) village and interacted with the flood victims. It was found that the water from mighty Brahmaputra reached the village and flooded the houses through a drain during the rainy season. The villagers had to leave their home and stay in the camp in Panchayat office till the water dried from their houses. Afterwards, they distributed the relief materials among the villagers. Nearly 150 people were given the relief materials. The second place we visited was NotunRongagoraGaon. The relief camp was in the School compound. The volunteers distributed the relief items among the villagers (about 150 people). In this place water comes directly from the river Brahmaputra and flooded the houses. The people of this village suffer during rainy season every year.
