Our syllabus is not completed.

All of the teachers are soo nice and humble that no institute or students can get these wonderful teachers.

Our 1st paper which is going to be held in 30th June isn't complete yet....Our HOD doesn't finish our syllabus yet...We are asking her for notes but she can't give us notes..That's why we have facing problems.

Some portions are not yet clarified by the teachers.

No proper notes given, no concepts are clarified satisfactorily, not all topics are covered.
