The books of commerce are very limited and some of them are not updated

Sufficient books are not available.

Librarian is kinda rude , he couldn't answer one question properly without making a fuss.

There is no such grievances against her.

But she is the particular teacher who had lowered my self esteem, my self respect, my morals. I suffered through a lot of anxiety and panic attacks.

I'm happy I'm leaving.

That's it.

Thankyou.

Please be kind.

I Had a good experience in the college and didn't face any personal problems but I suggest that the toilets need to be hygienic.

I have not faced any difficulty from our college staff and teachers.

I'm very grateful for my college and teachers are very good 👍

Auditorium should be a bit bigger and also more better smart classrooms

Its average for me

Our college is good

In the library should be available more numbers of books.

Everything is satisfactory

Every teacher should have their particular you tube channel where all the videos of the syllabus will be uploaded nd this students got clarity over a particular topic what students didn't understand during the classroom hours or if the student is absent .

It's a Better Institution where we learn new things.

Gd

Best college

computer can hold more, we can have more books on the library

The college gym should be installed again and each semester should have there own personal room so that they don't need to wait outside or look for a empty room to doing their classes

Everything Is Good.. But One thing to be added here that If Possible There should be blockage of vehicles in the college campus road of outsiders during the college hours and Sometimes It becomes very unsafe for Us.

Overall I'm satisfy in our college

I am fully satisfied with my college studies and my college teachers are fully helpful and cooperative .
