Satisfied

The college has a good ambience for academics
Lack of space in the common room.

the college should take special care on how to create an emotional bond among the students as I feel its lacking . The feeling of belongingness should be infringed into the Students .
Just a suggestion .

Women's College,Tinsukia is a place of worship for us.Within limited resources in terms of Infrastructure,the present authority,specially,the Principal ,Dr.Rajib Bordoloi and Vice-Principal,Shri Dulal Baruah together with other inseparable active members ,have been working day and night to place the college as a center of excellence.With active co-operation of other stake holders,I am sure we will achieve the goal in coming days.

The infra structure and amenities provided by the college are satisfactory

Vocational education should be enhanced.

Academic environment is good. College canteen needs more space. There should be generator connection in major classroom and high speed internet facility so that ICT classes can be taken without any interruption.
